

Biofeedback Stress Response / Wellness Evaluation Release Form

1. I fully understand the difference between the practice of allopathic medicine (the diagnosis, treatment, and prevention or management of disease through current standards of care) and naturopathic-based nutritional/wellness consulting (a natural approach to optimizing health using natural substances to stimulate the body toward self-adjustment and balance).
2. I fully understand that the attending consultant is not an allopathic doctor (M.D.'s) and does not pretend to be, but is a bioenergetic / biofeedback practitioner and wellness consultant, providing services that are not allopathic, but that are within the parameters of a natural health and wellness philosophy which is naturopathic in nature.
3. I fully understand that the attending consultant does not offer allopathic drugs, surgery, chemical stimulants or radiation therapy, but is providing information and natural products to restore natural balance and optimum conditions for health and wellness based on the scope of the practice.
4. I fully understand that the consultant is not diagnosing or treating any illness or disease, but that it is the bioenergetic balance and overall stress responses of the body that are being measured.
5. I fully understand that the attending consultant is in no way encouraging me to terminate or modify any previous or ongoing diagnosis, treatment (including medications) or therapies started by or under the direction of any licensed practitioner.
6. I fully understand that the services provided by the attending consultant may not be generally accepted and/or recommended by allopathic physicians or other health professionals.
7. I presently seek consultation, advice, opinions and/or programs, test, evaluations and/or products within the scope of the attending consultant's wellness practice based upon the principles of bioenergetic health.
8. I have solicited the attending consultant's services in good faith, exerting my free will and following the dictates of my own conscience which allows me to select what I understand can be most beneficial to my health.
9. If I desire services not provided by the attending consultant, I fully understand that I should seek them elsewhere, and that the attending consultant can/will not dissuade me from seeking allopathic attention, recommendations or modes of therapy from a licensed practitioner.

10. If I am accompanied by a minor or incompetent, I represent that I am legally and totally responsible for them.
11. I authorize Access Complete Wellness and its attending consultant to provide their services to me on my behalf and hereby release them from any and all claims and potential claims arising out of my actions or failure to act upon their advice.
12. I have read and understand this document entirely. I have received a verbal explanation of the same form from the attending consultant and the consultant has answered satisfactorily all of my questions regarding this form.
13. I am willing and prepared to declare and repeat under oath all of the above statements by request of the attending consultant.

I hereby consent to authorize the above described evaluation and consultation until otherwise revoked.
